ROSHANA B A

baroshana367@gmail.com | +91 9353179544 | Mandya, Karnataka | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Computer Science Engineering student (CGPA 8.6) with hands-on experience in data analysis and visualization. Skilled in Python, SQL, Power BI, Microsoft Excel, and Tableau, with experience in data preparation, dashboard development, data validation, and extracting insights from datasets. Completed the Deloitte Data Analytics Virtual Internship and Google Data Analytics Professional Certificate. Strong analytical and problem-solving skills with an interest in data-driven decision making.

PROJECTS

Sales Analysis Dashboard using Power BI

- Analyzed sales, profit, and regional performance using interactive dashboards.

Employee Attrition Dashboard using Power BI

- Analyzed employee attrition trends across departments and job roles.

Customer Segmentation Dashboard using K-Means & Power BI

- Grouped customers by age, income, and spending score using K-Means clustering.

GuardianAI — Edge-Based Real-Time Face Morph Detection

- Developed an AI-based face morph detection system using CNN, ArcFace, and FaceNet; used SHAP and LIME for explainability.

VIRTUAL EXPERIENCE

Deloitte Data Analytics Virtual Internship (Forage)

- Completed simulated business-analytics tasks involving data analysis, dashboard creation, and data-driven recommendations using Microsoft Excel and Tableau.

Emerging Technologies Intern | Edunet Foundation – AICTE

- Completed a 4-week internship covering Agentic AI, Cybersecurity, and Quantum Computing using IBM SkillsBuild and IBM Cloud; developed an AI and Cloud Computing project.

EDUCATION

B.E. Computer Science Engineering
Maharaja Institute of Technology, Mysore — CGPA: 8.6

SKILLS

Programming: Python, SQL, Java
Data Analytics: Data Cleaning, Data Preparation, Data Validation, Descriptive Analytics, Data Visualization
BI & Office: Power BI, Microsoft Excel, Tableau, Microsoft PowerPoint
Libraries & Tools: Pandas, NumPy, Git & GitHub
AI/ML: TensorFlow, OpenCV

CERTIFICATIONS

- Google Data Analytics Professional Certificate (Coursera)
- Deloitte Data Analytics Virtual Internship (Forage)
- Meta — Introduction to Front-End Development (Coursera)

LANGUAGES

English, Kannada, Hindi
